RE: Dominion Energy South Carolina, Incorporated's 2021 Avoided Cost
Proceeding Pursuant to S.C. Code Ann. § 58-41-20(A)
Docket No. 2021-88-E

Dear Ms. Boyd:

Dominion Energy South Carolina, Inc. ("DESC" or "Company") is in receipt of the South Carolina Office of Regulatory Staff's ("ORS") letter dated August 9, 2021, filed in the above-captioned docket. In its letter, ORS requests that the Public Service Commission of South Carolina ("Commission") amend Order No. 2021-520 by setting a deadline for which parties may file responsive testimony to the report of London Economics International, LLC and to allow those parties who file responsive testimony to present their witness at the hearing scheduled for October 6, 2021. The purpose of this letter is to inform the Commission that DESC does not object to ORS's request and respectfully requests that the Commission grant the relief requested by ORS in its August 9 letter.

By copy of this letter, DESC is advising counsel for the parties of record of its position.
